Subject - Enhanced Municipal grant to the Mysore City Poor Students' Feeding Committee

---

With reference to your letter No L 19523 CM 2-52-15 dated 11-2-1953 on the above subject, I write to state that the Municipal Council were of opinion that the Poor Students Feeding Committee is at present crippled on account of the investment made to the extent of Rs 10,000/- exclusive of cesses for the purchase of 20 acres of land in Chamanahally village, T Narasipur Taluk and on account of various difficulties that had to be encountered in bringing under cultivation the land so granted and not yet given possession of, the Poor Students Feeding Committee has been handicapped to keep up to their usual arrangement of feeding 100 students The present limited arrangements for feeding were made keeping in view the enhanced grant and much inconvenience will be caused if the proposal is not accepted

The Municipal contribution for the above Committee at the enhanced rate will be only Rs 3600/- per year and this does not come much in the way of making provision for other items of commitment

Charities from outside have also dwindled and the Committee has been struggling hard to satisfactorily meet the situation The Council have therefore

resolved to request the Government to reconsider order

In these circumstances, I request that orders of Government may be kindly obtained sanctioning the proposal of the Council to enhance the grant to Rs 300/- p m

A copy of the resolution of the Council is enclosed

Yours faithfully,

A

With reference to your letter No 6410 dated 28th August 1953 regarding the above subject, I write to state that the selection of students is being made every year irrespective of caste, based on the poverty certificates furnished by the recognised persons of the Village Panchayets, Dist Boards and Amildars of Taluks etc and after examination of merits of each case Feeding is arranged in some hotels and hostels at a concessional rate of Rs 10/- per month As regards girl students they are paid Rs 10/- every month The feeding arrangements are being supervised by one of the members of the Committee Thus the Committee has been feeding students from a long time No rules have been framed in this behalf The subject was however brought before the meeting of the Committee held on 21-9-1953 and it was resolved to request Government to

reconsider their order already passed

I request you therefore kindly to move Government to reconsider the matter and accord sanction to the enhancement of the grant
